

Oakland Sports Association

24 Lawlor Drive
Oakland, NJ 07436

February 11, 2008

Dear IHHS Art Department,

The Oakland Sports Association will soon be celebrating it's Fiftieth Year of Induction. In recognition of this event we are looking to the talent of our community to help adorn the Recreation Concession Stand with an appropriate, creative mural on the exterior of this building. The theme of the mural should include all the sports that are served by this concession stand. That would include: Football, Cheerleading, Soccer, Baseball, Softball, and Roller Hockey.

A first prize award of \$500.00 would go to the winner, along with the honor of being the first artist to break ground at transforming the revision of our Recreation Sports Facility. In addition, we will also be awarding a second place award of \$250.00 with an equal opportunity to display their talent.

A preliminary drawing on 8x10 or 11x 14, preferably in color should be submitted to the Art Department no later then March 14, 2008. The Sports Association will vote on the applications and announce winners by March 24th. Winners will have one month (from April 1st to May 1st) to complete their masterpieces. All material for the exterior mural will be provided by the Sports Association.

Sincerely,
Mary Lou Nicoletti
Oakland Sports Association Representative
