Dear Ramapo Booster Members and Friends:

Commerce Bank has developed a program to help non-profit organizations raise funds. It is called the Affinity Banking Program. Commerce will make an annual donation to the Ramapo Athletic Boosters Association based on the average balances in all booster accounts. Checking, Savings, Money Market, CD's and Retirement Accounts are all included in the program.

All account information is strictly confidential with Commerce Bank and no one from the Booster Association will have any knowledge of any account information.

The amount of the annual contribution is calculated as follows:

**Checking Deposits:**

½ of 1% contribution will be made to the Athletic Boosters Association based upon the average sum of balances for all participants.

**Savings or CD Deposits:**

¼ of 1% contribution will be made to the Athletic Boosters Association based upon the average sum of balances for all participants.

New and existing accounts are eligible. Simply tell the Commerce representative when you open your account to include your account as part of the Affinity Banking Program for Ramapo Athletic Boosters Association. If you are a Commerce Bank customer, just call your branch and request that your account be included in the Affinity Banking Program for Ramapo Athletic Boosters Association. It's that easy!

Commerce offers FREE CHECKING, 7-Day Branch Banking, No Fee ATM/Visa Check Card, FREE Coin Counting plus much more!
