

RAMAPO'S STUDENT ATHLETES NEED YOU!!!

The Ramapo Athletic Booster Association exists to support the student athletes at Ramapo High School and over the past couple of years has accomplished the following:

- constructed the concession stand equipped with bathrooms through the generosity of many area businesses.
- awarded scholarships for athletes that demonstrated high academic achievement, leadership and community service.
- installed a scoreboard at the turf field.
- erected an activity sign at the front of the building.
- provided tee shirts for all student athletes as well as varsity multi-year plaques.
- provided funds to support team and individual awards for all teams.
- purchased specialized team equipment and practice time for various teams.
- supplemented the purchase of uniforms.
- purchased a softball batting cage, turf field safety net, basketball scorer's table, and golf video equipment.
- produced an annual athletic sports yearbook recognizing all Ramapo athletes.
- held an annual fundraising golf outing and our annual dinner-dance social event.
- assisted in the start-up of the Ramapo High School Athletic Hall of Fame.

We have made significant progress, but there is still much to do to keep the athletic programs at Ramapo among the best in the state.

Ramapo student athletes need your financial support...and your involvement!

Please join the boosters NOW by completing and returning the accompanying 2006-2007 membership form today. And, we hope you will complete the volunteer form to let us know how we can count on your talents to make the Ramapo Athletic Booster Association even more successful in supporting our student athletes.

**We thank you for your consideration,
