Ramapo Indian Hills Regional H.S. District

Novel Coronavirus 2019

Dear Ramapo Indian Hills Community,

As we approach the end of January, I hope your family is healthy and not experiencing any of the many winter ailments that visit us during the winter months. We are experiencing an average number of sicknesses and absences in our two high schools for these cold months. As you know, in just two short weeks, we will be closed for the February winter break. This week always gives us a chance to break the sickness cycle by keeping everyone's germs home or on vacation for the week. Please know that we continue cleaning our schools with anti-bacterial and anti-viral cleaning products to help minimize the spread of germs. Please remind your children to wash hands regularly, use hand sanitizer, not share water bottles, and most importantly stay home from school when sick.

The New Jersey Department of Education has requested that all schools send the [attached information](#) regarding 2019 Novel Coronavirus out to the community. Please understand that this is awareness and educational material and we **have not** experienced any cases of the Coronavirus. [Frequently Asked Questions about 2019 Novel Coronavirus](#)

Thank you so very much for your ongoing commitment to the health of our schools. Each of our high schools has two full time school nurses. They do an outstanding job attending to the needs of our students and staff on a daily basis and we are very fortunate to have them caring for all of us!

Have a wonderful day and be well.

Best regards,

Beverly MacKay

Superintendent of Schools
