Superintendent Message - Amended Calendar

Dear Parents and Guardians,

At the Board of Education meeting last evening, The Board voted to amend the 2019-20 school calendar. After a very long conversation about the best way to keep students engaged in learning over the April Break, yet provide the best possible hope for a graduation ceremony, the Board voted to remain open April 6,7,8, close April 9,10, and keep graduation on the currently scheduled date, June 23. The school year will end for all students on June 16. The April 9-12 weekend will be a Wellness Weekend for all staff and students as many celebrate Passover and Easter religious holidays in a very non-traditional way this year.

I can not thank you enough for all of your support through these unprecedented times. Our students, your children, have shown us how adaptable, resilient, and positive they truly are. They have creatively come up with ways to cheer the spirits of others, keep the Ramapo and Indian Hills students full of school pride and have really taken this online learning to a new level. "Change" does not shatter their world but rather challenges their world and our students, your children, rise to the occasion with a "bring it on" attitude. This is clearly a reflection of the responsive, engaged parents and guardians in our community.

Please continue doing your part in social distancing, staying home and washing hands. Looking forward to brighter days ahead!

Stay well.

Beverly MacKay
