Applicant First Name

M.I.

Last Name

I/we understand the academically challenging nature of this four-year program and give permission for my/our daughter/son to apply for entrance and participation in a University Program. I/we also understand that students who enroll in a Ramapo Indian Hills Regional High School District University Program are expected to maintain satisfactory or better academic performance in each of their University Program courses (courses designated 'UP'). Satisfactory grades are C- or higher. Unsatisfactory performance (marking Period Grade of D+ or lower) will result in University Program probationary status for the remainder of the school year. An unsatisfactory final grade in a University Program course may require the student to withdraw from the University Program.

I/we understand that the application procedure includes a review of achievement, test information, and other evaluative information, including IEP/504 plans.

I/we understand that teacher recommendations will be requested by the Ramapo Indian Hills Regional High School District from your child's current school of enrollment.

I/we understand that the University Program Selection Committee reserves the right to interview any applicant and that a parent/guardian will be permitted to observe the interview, should it be requested.

I/we understand that the selection of applicants suitable for admission to this program is the responsibility of the University Program Selection Committee and that the decision of this Committee is final.

I/we also understand that the right to see all recommendations collected in the application process shall be waived.

You are welcome to attach any comments or data that give additional insight regarding your child's candidacy.
