Ramapo Indian Hills Regional H.S. District

Single Cohort, Five-day Schedule - February 1

Hello Parents and Students,

I am happy to inform you that Ramapo Indian Hills Regional High Schools will be implementing the **single cohort five-day schedule on Monday, February 1st**.

All students who are currently in the hybrid model will come to school Monday – Friday and follow the existing schedule for classes that have been in place since December. Virtual students who have notified our building Principals of their interest to participate in this new single cohort are also welcome to join us on Monday.

Please note, that all classes will follow seating arrangements that will follow the guidelines of our Restart Plan. All desks are equipped with plexiglass surrounds and all students must wear their masks at all times in the school building. **Gator masks and face shields are not acceptable.**

Any student who did not sign up for this option at this time will be given the opportunity to do so at the end of February and participate in the single cohort on March 10th, as referenced in our Restart Plan. I will keep you updated on any changes as needed.

I am also happy to share with you that as of this evening our new [COVID-19 Dashboard](#) will be available on our district website. This tool will be available to keep you up to date with all positive cases and quarantines on a weekly basis as well as having links to other information from the state and county.

We all look forward to having our students participate in school and look forward to the day when all students and families feel that they are ready to join us in person.

Hoping for the best for all and please stay safe!

Sincerely,

Anthony Riscica

Interim Superintendent
