Dear Parents/Guardians:

The Ramapo Indian Hills Regional High School District Special Education Parents' Advisory Group (SEPAG) is an opportunity for parents to provide feedback to the district on concerns and issues regarding students with disabilities. Throughout the school year meetings for your child's Individualized Education Program (IEP) are scheduled by the Supervisor of Special Services and the Child Study Team to discuss your child's progress.

These SEPAG meetings provide an opportunity for parent input to the district on issues concerning students with disabilities. Additionally, the Child Study Team makes presentations to parents or invites a guest speaker on topics related to special education.
