The Ramsey School District's Special Services and Guidance Departments are proud to be hosting it's 2nd annual 'Meet and Greet Transition Fair'. The event will take place on Wednesday, November 1, 2017, 6:30-8:30 pm in the Dater School gymnasium. Attendees may also visit the cafeteria where ice cream, cookies and coffee will be served hosted by Ramsey Is For Everyone (RIFE) along with an on-going game of Bingo!

*The fair will include information for parents of students of **all** ages. The format will be similar to a college night where parents and students will be able to visit various stations including, but not limited to: employment support agencies, benefit specialists, legal counsel, advocacy organizations, community resources, child study team members and representatives from community colleges, universities and career and technical schools.
