Parent information

Good afternoon,

As you may have heard, we put Ramapo High School into a Shelter In Place at the close of the school day today as a result of a report from the Wyckoff Police that there was police activity in the area of Eastern Christian Middle School. All students were released at approximately 2:50 PM once we were notified by the police that the area was safe and clear. Precautionary Shelter in Place allows for both local law enforcement and school administration to keep our students and staff safe while potentially unsafe situations or medical conditions are under investigation and care is being given.

Thank you for your understanding.

Beverly MacKay
